# Frequently Asked Questions

## **1. What services do you offer as a digital marketing agency?**

We provide web design and development, social media marketing management, branding, content creation, SEO, paid advertising, and email marketing. Our goal is to help businesses grow their online presence and increase conversions.

## **2. How long does it take to design and develop a website?**

The timeline depends on the complexity of the project. A simple website can take 2–4 weeks, while more complex sites with custom features may take 6–12 weeks. We work closely with clients to ensure a smooth and timely process.

## **3. How can social media marketing help my business?**

Social media marketing boosts brand visibility, engages your target audience, drives website traffic, and increases sales. It also helps build customer relationships and brand loyalty through consistent and strategic content.

## **4. Which social media platforms should my business focus on?**

The best platforms depend on your industry and target audience. We analyze your business goals and recommend platforms like Facebook, Instagram, LinkedIn, Twitter, or TikTok based on where your potential customers are most active.

## **5. What is included in your social media management service?**

Our social media management includes content creation, scheduling, engagement with followers, performance tracking, advertising campaigns, and strategy optimization to maximize your brand's online presence.
